Mentor Name: ______________________________________________________________

Student Name: ____________________________________________________________

1. How often did you and your student meet? For how long? Did you meet in-person or online?

2. What observations did you make concerning your student's progress? Did you notice any obstacles?

3. What steps do you plan on taking to address concerns or build on successes?

4. Please share any additional information about your experiences and reflections.

Please submit your monthly qualitative report by the last day of each month to Kimberly White at kwhite1184@gmail.com.
